### POE HOUSE

Old Structure at Washington With  
Historic Record Being  
Repaired

The house at Washington from which the  
late Thomas Poe, celebrated as being the oldest  
Justice of the Peace in Indiana, moved  
when he went from there is having a new roof  
added.

He was 96 years old and moved from Wash-  
ington in 1850, having been practically in office  
all that time.

There are many parties there yet who knew  
him well.

He was known as little Tom Poe, being much  
below the ordinary size of men.

Creighban, the Tailor, has moved to  
the Glascow Building, 102 West Second street.

It seems to be the general opinion that in his impulsive manifesto on the Standard Oil decision Mr. ROOSEVELT constituted himself Attorney General, Judge and Jury.—New York Herald.

DAN O'REILLY, HARRY THAW's lawyer, declares THAW is a lunatic and at the same time he says his bill against THAW is \$37,000 for defending him. If THAW is a lunatic O'REILLY is a grafted and while THAW is in the asylum O'REILLY should be in jail.

WHILE the country's population has increased 24% since 1896, the corn yield this year promises to be 25% greater than it was then, the wheat crop is 40% larger than it was in that year, and the cotton output is 80% greater than it was then, while the aggregate value of all the farm products in 1908, according to the forecast made by the Secretary of Agriculture, will be \$8,000,000,000, which is 100% more than that of 1896.

## CAN'T BE SEPARATED.

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an ideal kidney remedy and one that deserves the confidence of anyone afflicted with kidney trouble. I was subject to attacks of kidney complaint from childhood, and as I grew older the complaint became more severe. In my efforts to find relief I used remedy after remedy, but no benefit was obtained until I began taking Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the cause of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand, and a dose or two now and then serves to keep my kidneys in good condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

To use the little boy's figure of speech, Mr. BRYAN's injunction plank flew up and bit him in the jaw.

An Eastern College Professor asserts that "the floors of hell are paved with champagne, automobiles and chorus girls." Then, old boy, you must keep off the grass.

PROFESSOR CHITTENDEN and Professor FISHER maintain that the success of vegetarians in athletic contests is not due to vegetarianism as such, but to the fact that they generally use less protein. In order to have the right amount of protein one need not be a strict vegetarian, although meat, if used, must be used sparingly, especially lean meat. If eggs are used, they must also be used sparingly, or else the yolks used and the whites rejected.

RIP VAN WINKLE.

Rip Van Winkle returned from his long sleep looking fresh as a daisy and made his way to the village barber, shop, not only because he needed a haircut and shave, but also because he wished to catch up on the news.

"Let's see," said he to the barber, after he was safely tucked in the chair, "I've been asleep twenty years haven't I?"

"Yep," replied the tonsorialist.

"Have I missed much?"

"Nope, we bin standin' pat."

"Has Congress done anything yet?"

"Not a thing."

"Jerome done anything?"

"Nope."

"Platt resigned?"

"Nope."

"Panama Canal built?"

"Nope."

"Bryan been elected?"

"Nope."

"Carnegie poor?"

"Nope."

"Well, say," said Rip, rising up in the chair, "never mind shaving the other side of my face. I'm going back to sleep again."

## TOBACCO CROP OF 1909

### No Action Until October—Winchester Meeting Discusses Situation

WINCHESTER, KY., August 11th.—The District Board of the Burley Tobacco Society today rejected the application of the growers of 1908 crops to pool their tobacco.

The matter of fixing the price of the 1907 crop was deferred for consideration until tomorrow morning.

The matter of growing a crop in 1909 was discussed at some length, but it was finally decided to defer action until after the election of the Society's officers in October.

Representatives of every county in the White Burley District were present when the meeting was called to order here at 10:30 o'clock this morning by President Clarence LeBus. The Board was in session until this evening, taking an hour for dinner. The members were in session again from 8 until 11 o'clock tonight.

Secretary Brooks reports that nearly forty thousand hogsheads of the 1906 crop have been sold and that about twelve thousand hogsheads remain in the pool unsold.

The 1908 crop is estimated at 8,000 to 10,000 hogsheads.

## Keep Your Bowels Open

A Safe Certain Home Remedy that is Sold By All Druggists

A fact any doctor will verify is that constipated people suffer most from disease. Regular bowel action is absolutely necessary to health. People who are constipated either part or all of the time must use something to make their bowels move. This should not be a violent purgative or a cathartic that merely tears its way through the bowels emptying them of waste matter for the time but leaving them in a weakened state that prolongs the constipated condition. Dr. Caldwell's Syrup Pepsin is an easy, pleasant, natural laxative that removes the waste matter and establishes regular, daily movements without pain or gripes. Children and delicate women should never be given strong physic for it not only weakens the bowels but the entire system. Dr. Caldwell's Syrup Pepsin serves as a tonic and an aid to digestion as well as a laxative that is certain in its effect upon the most obstinate old cases and yet safe and pleasant for a baby. With the first few doses the ill effects of constipation, such as dyspepsia, indigestion, liver trouble, biliousness, flatulence, sour stomach, sick headache, bloated stomach, etc., quickly disappear. It is a remedy that should be in every home for every member of the family at some time had need of a safe, sure laxative.

Mrs. J. C. Cooper, Chicago, Ill., writes: "I use Dr. Caldwell's Syrup Pepsin for myself and family. I keep it on hand constantly, as I find it to be a most pleasant laxative and is all you claim for it."

Sarah J. Ilouser, Eureka Springs, Ark., says: "I would have been dead had it not been for Dr. Caldwell's Syrup Pepsin". It is the best medicine I ever used for constipation, indigestion and biliousness.

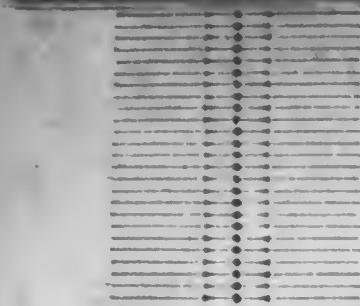

M. R. Zerkel, Troy, Ohio, considers it the best known laxative for children.

Gage marks 70 and rising.

of human kind and that she uplifted many a weary and overburdened soul with a cheery word and helping hand hundreds in this city, who revere her memory, can testify.

Mrs. Morris had been ill health for several years, but lately there had been a marked improvement in her condition, so much so that she was able to attend the recent meeting at Ruggles Campgrouds.

She had been making her home with her daughter, Mrs. N. C. Rudy, in Forest avenue.

Yesterday afternoon, feeling somewhat weak, she picked up a bottle which she thought contained a cordial she had been taking, but by mistake she took carbolic acid, which was in a bottle near the cordial. The horrible mistake was at once discovered and everything possible done for her, but the draught of the deadly acid was fatal, the venerable woman passing away in about half an hour.

Mrs. Morris was born in Bath, Old England, in 1825.

She came to this country with her parents, Mr. and Mrs. Charles Seameu, and landed in New York City in 1830.

In 1837 they went to Chambersburg, Pa., and in 1841 she was wed and won by David Armstrong, a nephew of the late Uncle Johnstone Armstrong of this city. Mr. Armstrong died in 1842. On December 25th, 1844, she was married to William Morris, and three months later they came to Kentucky.

To them were born eight children, only four of whom survive—Mrs. N. C. Rudy of this city, Mrs. Will Davidson of Cincinnati, Messrs. George and Henry Morris of Covington. Mr. Morris passed away in 1891.

She leaves also two brothers, Alonzo Seameu of New Mexico and William Seameu of Kansas.

Mrs. Morris joined the M. E. Church in Chambersburg, Pa., when she was fourteen years of age, later taking membership with the congregation here, and she was one of the oldest members of the Third Street M. E. Church, this city. Her devout, Christian life made her one of the most lovable women in Maysville, and she was a great favorite with everybody, old and young. Of a sweet, even temper, she carried sunshine into every circle, and none knew her but to love her.

The funeral services will take place at 2 o'clock tomorrow afternoon from the Third Street M. E. Church, conducted by the Pastor, Rev. G. W. Buntou, assisted by the Rev. F. W. Harrop and the Rev. Thomas Hauford.

H. T. CORD.

H. T. Cord of Wedonia, one of Mason county's wealthy and highly respected citizens, died suddenly last evening at 5 o'clock of apoplexy while in the office of Dr. McGuire, whether he had gone for some medicine.

He was about 75 years of age and leaves five sons and one daughter—James C. of near Wedonia, Prof. William Cord of Mt. Sterling, Rodney and Robert of Covington and John Cord of Milwaukee, and Mrs. R. M. Harlan, the latter with whom he made his home.

The funeral will take place from the Mill Creek Christian Church at 2:30 o'clock tomorrow afternoon, with services by the Rev. Grubbs. Interment in Wedonia Cemetery.

SAMUEL J. SMITH.

Mr. Samuel J. Smith, whose serious illness was noted in THE LEDGER, died Monday night at 11 o'clock at his home in Columbia, Cincinnati, after a protracted illness with stomach trouble, aged about 48.

The deceased was born in St. Louis, but at a very early age his parents removed to this city, where he continued to reside until his removal to Cincinnati a few years ago.

He was a Christian gentleman in the full sense the word implies, being a member of the Episcopal Church of this city. He was also a member of Ringgold Lodge No. 27, I. O. O. F., under whose auspices the funeral will be conducted.

He leaves a widow and two sisters, Mrs. George Andrews and Miss Belle Smith of Georgetown, O.

The remains arrived here on the 9:45 train and were taken direct from the Depot to the Church, where short services were held by Rev. Norton of Cincinnati. The interment was in the Hamer lot in Charter Oak Cemetery, below Aberdeen.

The following pallbearers were selected by the family: J. C. Pecor, Dr. T. H. N. Smith, Charles Smith, John M. Hunt, Omar Dodson and George Andrews.

MRS. JANE MORRIS

Mother Morris is dead. The announcement of the demise at 3:15 yesterday afternoon of this truly good woman was received with genuine expressions of sorrow by the entire community, by whom she was loved and respected.

Though her passing away was sudden and unexpected, she had lived to a ripe old age, more than generally allotted one in this uncertain life.

Her mission was that of doing good to all
